Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir,

Please be advised that the above-mentioned application has been transferred to Jacqueline C. Lui with Registration Number **44214** under Customer Number **56374** for further prosecution. Please find the attached documents as follows:

- a) A copy of Power of Attorney (PTO/SB/81); and
- b) A copy of Notice of Acceptance of Power of attorney.

We have submitted the above power of attorney separately on 15 September 2006 and 17 November 2006, and we received a copy of Notice of Acceptance of Power of Attorney issued on 30 November 2006 from USPTO. However, we are still unable to access the instant application through Private Pair when we attempted so on 11 December 2006.

We were told by the Patent Electronic Business Center that the case was under a different customer number account, and this probably explains why we are unable to access the above-captioned application through private pair at this moment.

As such, please find attached herewith a copy of power of attorney showing that the applicant of the instant application has revoked all previous powers of attorney and appointed us (under our Customer Number **56374**) as the applicant's agent of record for your reference. Kindly rectify the problem at your earliest convenience as our client has a lot of business activities depending on this.

The commissioner is hereby authorized to charge any addition fees which may be

required, now or in the future, or credit any overpayment, to Account No. 503695.

Thank you for your assistance. Your expedited action is highly appreciated.

Yours sincerely,

Jacqueline Lui
